STOP this stupid killing.

Is this the same bunch that a few years ago killed a whale with the big, big outboard motor, and the rifles, bazookas, and whatever? What happened to the "old time" ways of trying.....to kill the whale? **This is just a arrogant attention getter , at the DEAD whale's expense!!!**

DO NOT AGREE TO THIS STUPID RESUMED KILLING OF WHALES....!

Sincerely,
Linda Airhart
