

ALASKA LANDING INFORMATION

To land/offload Highly Migratory Species in Alaska at a licensed buyer/processor

- Fisherman must possess a valid Commercial Fisheries Entry Commission (CFEC) interim-use permit, such as a miscellaneous finfish permit for the appropriate gear type, to land or offload fish or shellfish (AS 16.10.267(a) and (20 AAC 05.110)). The vessel must be licensed with the State of Alaska (AS 16.05.490, 5 AAC 39.120). If you have any questions, see the CFEC website at www.cfec.state.ak.us. or call the CFEC Licensing Section at (907) 789-6150.
- The submission of a completed fish ticket is required for any fish or shellfish species, including highly migratory species harvested outside of Alaska waters (shoreward of 12 nautical miles from the Alaska coastline), that are landed or offloaded in Alaska or Alaska waters (5 AAC 39.130(c)). Licensed Buyers/processors may report the landing using eLandings or conventional paper fish tickets. If you have any questions, please contact elandings@alaska.gov or Shellene Hutter, ADF&G Seafood Industry Coordinator, at (907) 465-6131 or dfg.seafood-coord@alaska.gov.
- Buyers/processors require a fisheries business license from the Department of Revenue under AS 43.75.020 and would be responsible for any landing taxes under AS 43.77.010.
- If there are any crewmembers on board the vessel besides the CFEC permit holder those individuals will need a valid crewmember's license from ADF&G per 5 AAC 39.110. Please contact the licensing section of ADF&G at 907-465-2376 or visit the website to purchase a crewmembers license online at: <https://www.adfg.alaska.gov/Store/>

To land/offload and Directly Market Highly Migratory Species in Alaska

- Fisherman must possess a valid Commercial Fisheries Entry Commission (CFEC) interim-use permit, such as a miscellaneous finfish permit for the appropriate gear type, to land or offload fish or shellfish (AS 16.10.267(a), (20 AAC 05.110)). The vessel must be licensed with the State of Alaska (AS 16.05.490), (5 AAC 39.120)). If you have any questions, please see the CFEC website at www.cfec.state.ak.us or call the CFEC Licensing Section at (907) 789-6150.
- Fishermen must be assigned a processor code by ADF&G in order to complete an ADF&G fish ticket. The processor code assigned to the fisherman can either be a fisheries business license type assigned in conjunction with the Department of Revenue and ADF&G or an ADF&G only permit. Fisheries business license types include direct marketer, catcher processor, or floating processor. The appropriate ADF&G only permit would be the Exclusive Economic Zone (EEZ)-only permit. Fisherman must complete an Intent to Operate application and submit the completed form to the Alaska Department of Fish and Game (5 AAC 39.130(a)). See the ADF&G website at: <http://www.adfg.alaska.gov/index.cfm?adfg=fishlicense.marketers>. Contact: Shellene Hutter, ADF&G Seafood Industry Coordinator, at (907) 465-6131 or dfg.seafood-coord@alaska.gov.

- The submission of a completed fish ticket is required for any fish or shellfish species, including highly migratory species harvested outside of Alaska waters (shoreward of 12 nm from the Alaska coastline), that are landed or offloaded in Alaska or Alaska waters (5 AAC 39.130(c)). Exclusive Economic Zone-only (EEZ-only) permit holders may report the landing using eLandings or conventional paper fish tickets.
- If there are any crewmembers on board the vessel besides the CFEC permit holder those individuals will need a valid crewmember's license from ADF&G per 5 AAC 39.110. Please contact the licensing section of ADF&G at 907-465-2376 or visit the website to purchase a crewmembers license online at: <https://www.adfg.alaska.gov/Store/>
- If the fish is harvested and processed beyond the 3 nautical mile limit the Alaska Department of Revenue cannot require the fisherman to possess a fisheries business license, however, the fisherman would be responsible for any landing taxes under AS 43.77.010.
